# CIVIL TRAINING PROGRAMS

## **Confidentiality of Medical Records: HIPAA and other Privacy Rules**

**October 16, 2007, Fredericksburg, VA (Germanna Community College)**

This “nuts and bolts” program will focus on the requirements of the Federal Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) Privacy Rule and how it interacts with Virginia’s privacy laws. Topics to be discussed include the HIPAA regulations, the Virginia Patient Health Records Privacy Act, the confidentiality and reporting requirements of Virginia’s recently-revised Human Rights regulations, the Federal substance abuse confidentiality regulations (42 CFR Part 2), and special aspects of medical record privacy related to minors.

Registration fee includes box lunch.

- Virginia DMHMRSAS & CSB Staff \$35
- Other \$75

## **Civil Commitment: Legal Criteria and Guidance**

**November 9, 2007, Charlottesville, VA (University of Virginia)**

This one day program will review the basics of the civil commitment process as it currently exists and will also focus on the DMHMRSAS Commissioner’s recently-issued guidance document on implementing outpatient civil commitment. Aspects of confidentiality during the commitment process will also be highlighted. Registration fee includes box lunch.

- Virginia DMHMRSAS & CSB Staff \$35
- Other \$75

## **Informed Consent and Substitute Decision-Making: Law and Clinical Procedures**

**April 25, 2008, Weyers Cave, VA (Blue Ridge Community College)**

This full-day program will focus on the elements required for obtaining a consumer’s informed consent to treatment and other matters. We will review in detail the legal alternatives to obtaining substitute consent when the consumer is incapable of making decisions on his or her own behalf. Topics include assessment of capacity, guardianship, appointment of health care agents, authorized representatives under the revised Human Rights Regulations, court ordered treatment, and the Virginia Health Care Decisions Act. Legislative changes to the laws pertaining to advance directives will also be highlighted. Registration fee includes box lunch.

- Virginia DMHMRSAS & CSB Staff \$35
- Other \$75

## **An Overview of Civil Commitment Law and Changes Made by the 2008 General Assembly**

**June 4-5, 2008, Charlottesville, VA (Doubletree Hotel)**

This one-and-a-half day program will cover legislative changes made in the civil commitment process as well as examine issues that arise out of the work done by the Commonwealth of Virginia Commission on Mental Health Law Reform and the Virginia Tech Review Panel. The training will provide basic information on obtaining emergency custody and temporary detention orders and the legal criteria and procedures involved in the commitment of adults and juveniles. Other topics to be addressed include medical screenings, the impact of EMTALA, transportation issues, outpatient civil commitment, and the role of law enforcement, special justices, and magistrates.

## CONTINUING EDUCATION WITH ILPPP PROGRAMS

The Institute of Law, Psychiatry and Public Policy offers opportunities for receiving continuing education (CE) credits to program participants. In all cases, participants should become aware of their own individual CE requirements, since requirements may vary among different agencies, departments and professional licensing boards. The Virginia Department of Health Professions has information on regulations and requirements for continuing education of those under the supervision of the health professional boards. The Department website is at [www.dhp.virginia.gov](http://www.dhp.virginia.gov)

### *Continuing Medical Education*

Continuing Medical Education (CME) credits in Category 1 of the American Medical Association are approved for most programs through the Office of Continuing Medical Education of the University of Virginia School of Medicine, and are available for most programs. The cost per CME Category 1 contact hour for physicians is \$12 for programs approved for Category 1. Continuing Education Units (CEU) are available for non-physicians through the same Office of Continuing Medical Education at a cost of \$10 per contact hour. The Office of Continuing Medical Education requires publication of the following statements: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Virginia School of Medicine and the Department of Mental Health, Mental Retardation and Substance Abuse Services, with the Institute of Law, Psychiatry and Public Policy of the University of Virginia. The University of Virginia School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University of Virginia School of Medicine designates this educational activity for a maximum of (variable) hours in AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physician should only claim credit commensurate with the extent of their participation in the activity. The University of Virginia School of Medicine awards 0.1 CEU per contact hour to each non-physician participant who successfully completes this educational activity. The CEU (Continuing Education Unit) is a nationally recognized unit of measure for continuing education and training activities that meet specific educational planning requirements. The Department of Mental Health, Mental Retardation and Substance Abuse Services maintains a permanent record of participants who have been awarded CEUs.

### *Continuing Legal Education*

Continuing Legal Education (CLE) credits through the Virginia State Bar are administered by the Virginia MCLE Board. The fee is \$25 for each program for which accreditation is provided.

### *Continuing Education for Psychologists and Others*

The Institute of Law, Psychiatry and Public Policy at the University of Virginia is approved by the American Psychological Association (APA) to offer continuing education for psychologists. The Institute of Law, Psychiatry and Public Policy maintains responsibility for the program and its content. APA accreditation standards require 100% participation in each day for which you request certification. Other professionals may also be interested in these credits. The administrative fee is \$25.00 for one-day programs, \$35 for two-day programs, and \$75 for five-day programs; there is no fee for those attending at the unsubsidized rate.

### *Continuing Education for Social Workers, Counselors, and Others*

The CME/CEU credits through the UVA School of Medicine, or the contact hours approved under ILPPP's APA accreditation, may be endorsed by various professional licensing boards; please contact your board for this information. ILPPP also has available its own certificate of attendance; ILPPP is an office of the University of Virginia, a regionally accredited institution of higher learning. The ILPPP certificate may reflect variable, or less than 100%, participation. The administrative fee is \$25.00 for one-day programs, \$35 for two-day programs, and \$75 for five-day programs; there is no fee for those attending at the unsubsidized rate.

***Ethics Continuing Education.*** Most ILPPP programs include education on legal and ethical standards of forensic practice. Please consult the program descriptions above, or inquire about particular agendas.

***Questions?*** Information regarding continuing education offered at ILPPP programs is available by calling ILPPP at 434.9245126.
